United States District Court  
Middle District of Florida  
Tampa Division

United States of America  
v.  
Sami Amin Al-Arian, et al.

Case No. 03-23-CR-37-T-34-TAM  
This motion/petition/stipulation has been duly  
considered and is hereby granted  
this 23 day of Sept., 2003.

*James S. Moody, Jr.*  
JAMES S. MOODY, JR.  
U.S. DISTRICT JUDGE

Defendant Sami Amin Al-Arian's Pro Se  
Motion for Another 10-day Extension to  
supplement the Motion on the Bill of  
Particulars, Motion to Dismiss the Indictment  
and the Jury Questionnaire

FILED  
2003 SEP 23 AM 9:57  
CLERK U.S. DISTRICT COURT  
TAMPA, FLORIDA

now the Defendant Sami Amin Al-Arian,  
in a pro se capacity and moves this Honorable  
Court to allow him another 10-day extension  
on the bill of particulars, the motion to dismiss  
the indictment, and the jury questionnaire  
for the following reasons:

1) Mr. Stephen Bernstein, defendant Sameeh Hamoudeh's  
new counsel has asked, and subsequently been  
granted a 30-day extension on his pre-trial  
motions (i.e. until October 5, 2003.)

2) The government did not object to the 30-day  
extension and has requested a stay to answer  
all pre-trial motions at the same time. Hence,

SCANNED

the defendant presumes that the government will not object to another 10-day extension.

- 3) Because the defendant was not aware of the protective order until September 10, 2003, he had to devote more time to the issue of the protective order which affected the consideration of the other issues.
- 4) The defendant had to spend a considerable time reviewing documentary evidence, that he would have spent otherwise on supplementing his motions.
- 5) Because of the move from Coleman to Hillsborough County, the defendant had to encounter few logistical problems.
- 6) The defendant requests that he stays at Orient Road Jail to at least until September 25, 2003, so he can finish supplementing his pre-trial motions without interruptions, as well as to continue with his review of the financial documents.
- 7) Although the defendant is confident that the pre-trial motions will be ready by September 25, 2003, he requests that the Court grants an extension equal to Mr. Bernstein in an abundance of caution.

Wherefore, the defendant prays that  
the Court will grant the above  
requests.

Respectfully Submitted

Sami A. Al-Arian
